

IN THE DRAWING

Replacement Sheets of Figs. 1-3 are attached to label them PRIOR ART and of Fig. 4 to show the claimed mobile station "handover" comparator.

REMARKS

The Examiner is thanked for his telephone call October 4, 2006, in which he offered to allow claim 3, which is now combined with independent claim 1, and claim 8, which is now combined with independent claim 21, both of claims 3 and 8 being combined with independent claim 20 for the allowance of all the claims offered.

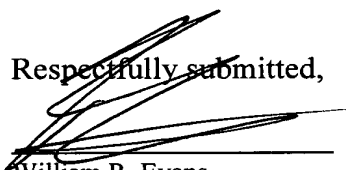

The cancellation of claims 3 and 8 has permitted restoration of cancelled claim 19 as new claim 22.

The "and/or" is replaced in claim 1 and antecedents are corrected in claims 6, 16 and 17.

Drawing changes are made for PRIOR ART labels and a comparator in Fig. 4.

Therefore, each condition for allowance on reconsideration has been met.
